**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a small DSL provider in San Francisco that is currently the only company installing and pushing the envelope for fiber internet. Their tech support is second to none.

The large cable providers have among the worst NPS (Net Promoter Scores) in the country.

Isn't living in the US about freedom of choice?

Stop trying to line your pockets and destroying America.
